

Adam Keifer

After being briefly exposed to volleyball in school, I took a significant interest. Unfortunately, men's teams were not a thing at that time in the area I grew up. It wasn't until I joined the Marine Corps that I truly had the opportunity to learn the game. I spent the next several years playing all around the area and eventually discovered the Marine Corps had an official team. In 2004 I had the unique honor of representing the Marine Corps in the All Armed Forces Tournament.

Fast forward several years and I was again given a unique opportunity; to take what I had learned and share it with others. I became the head coach of the Living Water Warriors volleyball teams for both boys and girls. I coached for 2 years and both teams finished first or second in their conferences each year. I am proud to share that two of my male players were awarded positions on college teams, the first ever to do so in Onslow County. I have been an avid player for over 24 years!

As for the rest of my life, I am a husband, a father of 3, a grandfather to 2, a parent to 1 furbaby, and a REALTOR. We currently live in Swansboro and have been in Onslow County for over 24 years. I am excited for the opportunity to help anyone interested in volleyball become more proficient in the game!
